GOLFERS DELIGHT

GOLF AND HOTEL LANAI ACCOMMODATIONS

ISLAND Air Hotel Lanai, Hawaii's Best Little Inn, in partnership with Island Air and The Experience at Koele and The Challenge at Manele have joined together to reward you for just being you! The Island of Lanai is often referred to as the private island, we like to think of it as "the perfect island". It is a place where you can get away from the challenges of everyday, the hustle & bustle of city life and kick back in a truly relaxing atmosphere of serenity unmatched on any of the the other islands.

The Experience at Koele golf course was recently named the top resort course in America by Conde Naste Travel. The Challenge at Manele has been rated one of the top 50 courses in America by Golf Digest. Very special rates are being offered when you stay at Hotel Lanai. This is an opportunity that you will not want to miss. Bring the whole family as there is much more to do than just play golf on Lanai. Hiking, biking, beaching while watching the spinner dolphins in Hulapoe Bay are just a few of the options available.

The hotel is available to take over exclusively for special gatherings such as family reunions, golf parties and more!
